Inclusive Church Pull Up Banners

We are pleased to be able to make available to churches registered with Inclusive Church a selection of pull-up banners that can be used to let people know that you are inclusive!

We have 3 different banners, each one distinctive and striking, that could be used in the entrance area of your church, making a positive statement.

The designs are available to view here. [1]

We have an arrangement with the company we use for Inclusive Churches to order their own banners. Simply visit: www.stylize.co.uk/products/386.html [2] to select the 850mm wide option and required quantity, to Add to Basket and securely place the order.

Your church can fill in their Billing and Delivery details as requested and copy & paste: 'S19813 Inclusive Church re-print DESIGN A, B, or C?' into the special instructions box above the green Proceed to Payment button (please see this web basket screen-shot sample order [3]).

Quantity discounts apply for orders of 3 or more. For further info, please see: www.stylize.co.uk/roller-banner-stands.html [4]
